

MARITIME SIMULATION AND RESOURCE CENTRE

NAVIGATION INSTRUCTOR

The mission of the Maritime Simulation and Resource Centre (MSRC), une division de la *Corporation des pilotes du Bas Saint-Laurent (CPBSL)*, a pour mission d'assurer la formation et le perfectionnement des pilotes de la CPBSL et de partager l'expertise acquise en simulation avec les autres pilotes et professionnels du domaine maritime.

The MSRC is looking for a qualified and competent individual with excellent communication and interpersonal skills who is willing to work as a team and represent our organization to its clients and business partners, both in Quebec City and abroad.

Position Summary

Reporting to MSRC's Director, the incumbent develops and delivers specialized training using Navigation Simulators. With his colleagues, he participates in the preparation and implementation of port feasibility studies entrusted to the MSRC by stakeholders in the maritime industry. He also oversees the programming of simulations and exercises, the operation and proper functioning of the simulators and first-level maintenance of the equipment.

Candidate Profile

- Master Mariner's Certificate, ON-1, or equivalent, with relevant work experience
- Proficiency in English and French, oral and written
- Very comfortable in the use of computer hardware and software
- Ability to work in a team environment, demonstrating commitment, professionalism, and initiative

Assets: Experience using navigation simulators
Teaching experience, specifically in andragogy
Knowledge of Spanish (functional level)

Work Conditions

Work hours: Monday to Friday, between 8:00 a.m. and 5:00 p.m., occasionally on weekends
Workplace: MSRC offices located in the Port of Quebec City
271, de l'Estuaire, Suite 201, Québec City and possibly off-site, depending on the mandates.
Salary: In accordance with the current salary scale.
The CLSLP also offers very interesting benefits.

**Candidates are invited to send their resume by email to: info@sim-pilot.com.
Applications will be treated with the utmost confidentiality.**
